DISCOVER HIDDEN SAVINGS

Your home may be hiding energy savings in places you didn't even know! Explore our Energy Savings Portal at swg.opower.com to find out how natural gas is being used in your home.

GET READY FOR HEATING SEASON

Natural gas space heating keeps you warm and comfortable — and a properly maintained heating system provides many years of reliable and efficient operation.

Prepare for heating season by having your furnace serviced by a licensed contractor.

Visit swgas.com/rebates to find out about a seasonal home heating inspection offer, available in most areas.

RECOGNIZING A NATURAL GAS LEAK

Did you know you can recognize natural gas leaks using your senses? If you smell a foul odor resembling rotten eggs; hear a distinct hissing sound at an appliance; or see blowing dirt in the air, unexplained dead vegetation or standing water continuously bubbling, it's important to react immediately. Leave the area and call 911 and Southwest Gas at 877-860-6020. Your safety is our top priority. Stay informed, stay safe.

Learn more about natural gas safety at swgas.com/safety.

LEARN MORE ABOUT NATURAL GAS SAFETY DATA SHEETS (SDS)

Natural gas is a safe and reliable energy source. To better understand the composition and properties of odorized natural gas, as well as safety and regulatory information, visit swgas.com/sds to review the natural gas safety data sheets (SDS).
